PLTS is an inclusive community and offers hospitality to all who participate in our programs of study. As disciples of Christ committed to public leadership among God's people in diverse and challenging cultural contexts, we eagerly learn from and welcome one another's diversity, including, but not limited to, theological perspective, race, ethnicity, nationality, gender identity, relationship status, age, physical ability, social and economic status and sexual orientation.

We ask all congregations/agencies to extend the same welcome. Please indicate whether or not you and your community agree with this statement and are currently practicing such hospitality. If you are not, please indicate in what ways you are unable to meet these expectations in the comment section below.

Part II: Financial Support of the Internship Program and Student Intern

A. Required Financial Support to the Seminary in Support of Internship Process

1. The congregation/agency agrees to contribute to the seminary the sum of \$500 toward a Travel Pool to help subsidize the travel expenses for one round trip between the seminary and the place of internship.
2. The congregation/agency agrees to pay a \$1000 administrative fee for the internship year.

B. Required Financial Support of the Student (Requirements of Vocation and Education/Candidacy)

1. **STIPEND:** The congregation/agency will provide a monthly, undesignated, cash stipend of \$1,800.
2. **FICA:** The congregation/agency will pay the employer's share of FICA based on the total value of the stipend plus housing provided. If the housing is paid in cash (rather than the congregation renting the apartment or offering a parsonage), that amount is also considered income. With this in mind, the congregation pays the employer's portion of FICA and withholds the employee's portion for the intern. These are paid to the government.
3. **MEDICAL INSURANCE:** PLTS does not require that internship sites provide health insurance coverage for their interns. Students applying to seminary should have their own health insurance to be compliant with the federal mandate for health care coverage. Therefore, ELCA Seminaries do not offer student health insurance coverage. Individual health insurance coverage is expected to be maintained throughout attendance at PLTS. Students studying abroad through the Horizon International program have additional insurance coverage in foreign countries provided through the EIIA.
4. **WORK EXPENSES:** The congregation/agency will reimburse the intern for approved expenses incurred in his or her work.
5. **TRAVEL REIMBURSEMENT:** The congregation/agency will pay automobile expenses incurred in the performance of assigned duties at the rate specified by the IRS as an allowable deduction.

6. DAY OFF/VACATION: The congregation/agency will grant the intern a minimum of one day off per week. Additionally, a 12-month internship will include a 2-week vacation with stipend. A 9-month internship will include a 10-day vacation with stipend.

7. HOUSING: The congregation/agency will provide adequate furnished housing, utilities included, personal long distance phone calls excepted. If unfurnished or under-furnished housing is provided, the congregation/agency will pay moving expenses. This amount is in addition to the travel pool cost. To maintain professional boundaries, the intern should not be housed with congregants, clients, or other individuals related to the ministry programs and communities he/she will be serving in.

Please indicate arrangements:

_____	Housing is already secured	_____	Housing is not yet secured		
_____	Apartment/Condo	_____	House		
_____	1 Bedroom	_____	2 Bedroom	_____	3 Bedroom
_____	Dogs Allowed	_____	Cats Allowed		

If unfurnished or under-furnished housing is provided, please explain how moving expenses, in addition to the travel pool amount of \$500.00, will be paid/reimbursed:

Any other housing arrangements must be negotiated with PLTS.

C. Student Support (optional items)

The congregation/agency will assist in paying the intern's share of FICA based on the **total value** of the stipend plus the housing provided to the intern.

Yes No

The congregation/agency desires, **at its own expense**, that the intern/vicar visit prior to the start of internship for purposes of orientation and introduction.
