Please list and shortly describe three (3) areas of strength

Please list three (3) areas for growth and shortly describe how you will seek opportunities to grow in these areas

How have you grown in your self-understanding in your identity as a future pastor, deacon, or lay leader?

What have you learned about yourself in relationship to worship leadership and preaching?

How has your engagement with your Ministry in Context site shaped your goals for internship or your next year of academic work?

How has your engagement with your supervisor shaped how you hope to relate with your internship supervisor?

What affirmations and suggestions would you make to the supervisor / lay committee regarding future MIC students?

This self-reflection should be discussed with both your supervisor and lay committee:
