

Declaration of Modality and/or Pathway for the Master of Divinity Degree Program

Name:

Date:

Student ID #:

I declare the following modality for the Master of Divinity degree program:

Residential Learning (in Berkeley)

Distributed Learning (online)

I declare the following pathway for the Master of Divinity degree program:

MDiv Intensive (2 years + internship)

MDiv (3 years + internship)

MDiv Flex (4 years + internship)

I understand that should I need to change my modality and/or pathway, I will be required to meet with my academic advisor to discuss the implications of this decision, and also with the Associate Dean to reconsider my Individualized Education Plan which demonstrates a path to completion of the degree program. I understand that I will also need to check with the Financial Aid Office to confirm that my financial aid package will support a pathway change.
